

AKNETTE SPF 6

Regenerative cream with protection factor for skin with acne

Article number: 2026

A special, tried and tested cream ideal for skin stricken with inflammations and especially acne. Thanks to a selection of essential oils, it may provide a feeling of pain relief. The SPF 6 variety is particularly suitable for the summer season as a sufficient, active protection against UV radiation. An intriguing, pleasantly spicy fragrance. The composition of essential oils clearly prevents propionibacteria, settling in sebaceous glands, from reproducing. If the activity of sebaceous glands increases, these bacteria start to propagate quickly. They may in turn be the root cause of unpleasant inflammatory processes. The preparation may be helpful as a protection against other such sources of inflammations.

Main ingredients: Vegetable oils: almond, walnut, sesame, soybean, apricot. Beeswax. Lecithin. Essential oils: clove, geranium, tea tree. Vitamins: A, E, F. Beta-carotene, panthenol. Glycerin. Distilled water.

Application: Wash your face and apply the required amount of the regenerative cream on the skin, working it in gently. The skin is not shiny after application.

Information: To wash your face before applying the cream, we advise to use surfactant free washing agents, since it is well known that surfactants deprive the skin of oil, drying it out. It is for this reason that soaps, even the liquid ones, are discouraged. Hydrophilic washing oils can be suggested as a better alternative.

INCI: Aqua, 90% Cetearyl alcohol, 10% Sodium cetearyl sulfate, Juglans regia Seed Oil, Prunus amygdalus Dulcis Oil, Octocrylene, Glycerin, Sesamum indicum Seed Oil, Glycine soja Oil, Panthenol, Cera flava, Prunus armeniaca Kernel Oil, Butyl Methoxydibenzoyl-methane, BIS-ETHYLHEXYLOXYPHENOL methoxyfenyl triazinu, Lecithin, Tocopheryl acetate, Lactic Acid, Melaleuca alternifolia Leaf Oil, Eugenia caryophyllus Leaf Oil, Eugenol, Thymus vulgaris Flower/Leaf Oil, Pelargonium graveolens Flower Oil, Allantoin, Rosmarinus officinalis Leaf Oil, Thymus serpyllum Oil, Salvia officinalis Oil, Lavandula hybrida Oil, Citrus limon Peel Oil, Rosa damascena Flower Oil, Piper nigrum Fruit Oil, Limonene, Citronellol, Linalool, Retinyl palmitate, Geraniol, Beta-carotene, Citral

Storage: The stated expiry date can be substantially extended by keeping the product in a dark and cold place (ideally in a fridge at 6–10 °C).

Best before the date indicated on the packaging. Batch number and volume are indicated on the packaging.
